

LIFETIMER

Boats

2200 Cabin Model

These boats are very popular in all weather conditions and still small enough to trailer with ease. With an open concept style cabin interior, these boats can be customized to fit your needs, whether its commuting through the adverse conditions of our coastal waters, spending the day out fishing and exploring with the family, or adding a v-berth configuration for cozy nights out on the water. These boats feature our tapered delta-planning hull with reverse chines and sharp bow entry and are one of the driest, safest and most seaworthy boats on the market today.

Make this boating season the best ever.... own the boat of a lifetime.

	Five (5) 8" heavy duty weld on aluminum cleats	STD
	Aluminum non-skid self-bailing cockpit deck with side drains	STD
	Open style rod pockets in cockpit	STD
	Locking rear doors on transom	STD
	Transducer bracket with built in wiring chase to inner transom	STD
	Zinc Anode protection	STD
Flotation to Transport Canada TP1332 & U.S.A. NNMA Standard Requirements & for sound abatement	STD	
EQUIPMENT	Interior cabin finish - Vinyl covered plywood headliner with 1" foam insulation, interior powder-coating on exposed surfaces, marine grade vinyl on kick areas and on upper cabin structure, R12 Reflectix insulation, and four dome lights	STD
	Raised bow area - R12 Reflectix insulation covered with cuddly fuzz liner	STD
	Rotech planetary style steering system with Ultraflex wheel	STD
	Blue Sea Systems battery switch	STD
	Blue Sea six position Weather deck breaker panel	STD
	80 US Gallon (66 Imp Gal- 300 L) ABYC approved cross-linked roto-molded poly, built in fuel tank c/w Racor filter, fill, vent, sender & Faria fuel gauge	STD
Hella port & starboard running lights; all around light	STD	

Optional Accessories

HULL	700 - A	Lifetimer heavy duty kicker bracket
	700 - B	Lifetimer two step aluminum fold down ladder & handrail on transom
	700 - C	Sport model removable tow post
	700 - D	Aluminum bow railings
	700 - E	Handrails on cabin roof
COCKPIT	701 - A	Walkthrough transom door
	701 - B	One (1) flush lid storage access in cockpit floor, 20" x 28", hull storage only, no bin
	701 - C	One (1) flush lid storage access in cockpit floor, 20" x 28", comes with lift out aluminum fish box
	701 - D	Downrigger pads, each
	701 - E	Electric downrigger sockets, under coaming maxi fused to battery, pair (one per side)
CABIN	702 - A	AJR side sliding window (per window)
	702 - B	Tip out style AJR front center window
	702 - C	Dinette package with seating for four c/w reversible backrest on co-pilot seat; folds down and pulls out to 42" W x 6' 2" L bunk
	702 - D	Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle (16"L x 16"H x 16"W)- no upholstery
	702 - E	Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle (26"L x 18"H x 16"W)- no upholstery
	702 - F	Garelick seat slider for pilot seat -Pilot seat & mount or box (noted above) not included
	702 - G	Bently Highlaker II- large, no arms (uses Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle - sold separately)
	702 - H	Lifetimer 26" upholstered double seat- (uses Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle - sold separately)
	702 - I	Lifetimer 32" upholstered double seat- (uses Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle - sold separately)
CUDDY	703 - A	Cuddy berth c/w two dome lights, bunk cushions & porta potti (Reflectix insulation and cuddy fuzz hull liner included in standard)
	703 - B	Aluminum 9" wide shelves in cuddy, one per side, mounted just below cuddy roof with wood trim- each
	703 - C	Aluminum bulkhead to bow c/w aluminum door and lockable Perko T-handle
	703 - D	Bulkhead privacy curtain(for porta-potti use) c/w powder coated curtain rod
	703 - E	Thetford 260 porta potti c/w 2.6 gallon holding tank
EQUIPMENT	704 - A	Upgrade steering to UFLEX SeaStar hydraulic steering- single station, single engine
	704 - B	Upgrade steering to UFLEX SeaStar hydraulic steering- single station, dual engines
	704 - C	Additional Blue Sea six position breaker panel
	704 - D	Additional Ongaro wiper system (motor, arm & blade)
	704 - E	1500 GPH Rule bilge pump c/w Rule automatic float switch
	704 - F	500 GPH Rule bilge pump- no auto float
	704 - G	Marinco Receptacle Combo USB & 12V socket at helm
	704 - H	INSTA-TRIM hydraulic trim tabs, 12" x 8" c/w rocker switch
	704 - I	Compass, Ritchie B-51
	704 - J	Raw water wash down system c/w high pressure Flo-jet demand pump, filter, faucet, 25' coil hose with nozzle
	704 - K	Garelick removable spline style dive ladder with single attachment & handrail on transom
	704 - L	Additional brackets and mounting pads for Garelick dive ladder
	704 - M	Anchor locker in bow c/w bollard (replaces cleat) & Lifetimer bow roller
	704 - N	9lb Danforth anchor, 25' of 5/16" anchor chain & 200' of 1/2" anchor line
