

LIFETIMER

Boats

2050 & 2200 Hardtop Models

These boats are very popular in all weather conditions and still small enough to trailer with ease. With an open concept style cabin interior, these boats can be customized to fit your needs, whether its commuting through the adverse conditions of our coastal waters, spending the day out fishing and exploring with the family, or adding a v-berth configuration for cozy nights out on the water. These boats feature our tapered delta-planing hull with reverse chines and sharp bow entry and are one of the driest, safest and most seaworthy boats on the market today.

Make this boating season the best ever.... own the boat of a Lifetime.

	Width Overall	96"	108"
	Side Height	40"	45"
	Bottom Plate	1/4" 5086- 6' wide	1/4" 5086- 7' wide
	Side Plate	1/8" 5052	3/16" 5052
	Maximum HP	150 HP	225 HP
	Capacity	8 Person	8 Person
	Headroom	5'6"	5'6"
	Cabin	6' 0" L x 6' 0" W	6' 6" L x 7' 0" W
DESIGN	Deadrise: Variable pitch; transom has a delta with 18 degree up and a 20 degree reverse chine; 55 degree sharp bow entry for a dry, smooth ride in rough water or chop (many other aluminum boats have a 12 degree constant deadrise making them good for lakes or rivers but rough riding and wet for ocean use)	STD	STD
	Lifetimer builds to International Standards Organization (ISO) Design Category "C", Beaufort 6 (2m or 72" wave height, 25-31 MPH strong breeze conditions; coastal waters, large bays, estuaries, lakes & rivers) (Many other welded aluminum boats are built to - ISO Design Category "D", Beaufort 4 - 0.5m or 19" wave height, 13-18MPH moderate breeze conditions; sheltered waters, small bays, estuaries, lakes, rivers & canals)	STD	STD
HULL	Modified "V" shape hull	STD	STD
	Contoured outboard bracket	STD	STD
	4" reverse chines, fore deck & coaming	STD	STD
	Lifetimer heavy duty gunwale & chine extrusions	STD	STD
	ABYC approved tinned Ancor wire & electrical fittings	STD	STD
	Cabin with solid side windows with open back	STD	STD
	Reverse slope windshield & single Ongaro wiper on starboard side	STD	STD
	Lifetimer heavy duty welded bow eye & two (2) stern eyes	STD	STD
	Five (5) 8" heavy duty weld on aluminum cleats	STD	STD
	Marine Vinyl Flooring	STD	STD
	Non skid tape on outboard bracket, coamings and bow	STD	STD
	Transducer bracket with built in wiring chase to inner transom	STD	STD
	Zinc Anode protection	STD	STD
Flotation to Transport Canada TP1332 Requirements	Upright Level	Upright Level	
EQUIPMENT	40 US Gallon (33 Imp Gal- 151 L) ABYC approved cross-linked roto-molded poly, built in fuel tank c/w Racor filter, fill, vent, sender & Faria fuel gauge	STD	N/A
	60 US Gallon (50 Imp Gal- 227 L) ABYC approved cross-linked roto-molded poly, built in fuel tank c/w Racor filter, fill, vent, sender & Faria fuel gauge	N/A	STD
	Rotech planetary style steering system with Ultraflex wheel	STD	STD
	Blue Sea Systems battery switch	STD	STD
	Blue Sea Systems six position waterproof breaker panel	STD	STD
	Hella port & starboard running lights and all round light	STD	STD

Optional Accessories

HULL	600 - A	Lifetimer heavy duty kicker bracket
	600 - B	Sport model removable tow post
	600 - C	Aluminum bow railings
	600 - D	Handrails on cabin roof
COCKPIT	601 - A	Walkthrough transom door
	601 - B	Locking rear doors on transom c/w Perko locking T-handle (N/A with sun seat option)
	601 - C	Aluminum bulkhead to bow c/w aluminum door and lockable Perko T-handle
	601 - D	One (1) flush lid storage access in cockpit floor, 20" x 28", hull storage only, no bin
	601 - E	One (1) flush lid storage access in cockpit floor, 20" x 28", comes with lift out aluminum fish box
	601 - F	Aluminum self bailing deck (3/16" plate) c/w two (2) 2" drains (self drains overboard at rest) with Ferrcon non-slip paint
	601 - G	48" lockable storage door in top of transom with removable plywood bottom
	601 - H	Fish box across transom wrap with aluminum bottom & overboard drain
	601 - I	Rod pockets with open top, pair
	601 - J	Rod pockets with lockable top, pair
	601 - K	Downrigger pads, each
	601 - L	Electric downrigger sockets, under coaming maxi fused to battery, pair (one per side)
CABIN	602 - A	AJR side sliding window (per window)
	602 - B	Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle (16"L x 16"H x 16"W) - no upholstery
	602 - C	Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle (26"L x 18"H x 16"W) - no upholstery
	602 - D	Bentley Highlaker II- large, no arms (uses Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle - sold separately)
	602 - E	Bentley Highlaker II - With arms, large(uses Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle - sold separately)
	602 - F	Lifetimer 26" upholstered double seat- (uses Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle - sold separately)
	602 - G	Lifetimer 32" upholstered double seat- (uses Lifetimer aluminum seat box with side loading storage & Locking Perko T-handle - sold separately)
	602 - H	Convertible open top
	602 - I	Canvas drop down curtain aft the hardtop with roll up center door
	602 - J	Webasto Air top 2000 forced air diesel furnace with defrost- 3,000- 7,000 BTU c/w 5 gallon diesel tank
CUDDY	603 - A	Cuddy berth c/w bulkhead w/weather resistant lockable door, Reflectix insulation, cuddy fuzz hull liner, two dome lights, bunk cushions & porta potti
	603 - B	Aluminum 9" wide shelves in cuddy, one per side, mounted just below cuddy roof with wood trim- each
	603 - C	Thetford 260 porta potti c/w 2.6 gallon holding tank
EQUIPMENT	604 - A	Upgrade to 100 US Gallon (83 Imp Gal- 377 L) ABYC approved cross linked rotomolded polyethylene built in fuel tank c/w Racor filter, fill, vent, sender & Faria fuel gauge
	604 - B	Upgrade steering to UFLEX SeaStar hydraulic steering- single station, single engine
	604 - C	Upgrade steering to UFLEX SeaStar hydraulic steering- single station, dual engines
	604 - D	Additional Ongaro wiper system (motor, arm & blade)
	604 - E	1500 GPH Rule bilge pump c/w Rule automatic float switch
	604 - F	Marinco Receptacle Combo USB & 12V socket at helm
	604 - G	INSTA-TRIM hydraulic trim tabs, 12" x 8" c/w rocker switch
	604 - H	Compass, Ritchie B-51
	604 - I	Lifetimer two step aluminum fold down ladder & handrail on transom
	604 - J	Garellick removable spline style dive ladder with single attachment & handrail on transom
	604 - K	Anchor locker in bow c/w bollard (replaces cleat) & Lifetimer bow roller
	604 - L	9lb Danforth anchor, 20' (1800) & 25' (2050 & 2200) of 5/16" anchor chain & 200' of 1/2" anchor line
